KUPAN

Kupan quality projects

Since 1970 Kupan creates washrooms and changing facilities in the highest standard quality.

Today Kupan, as one of the world leading companies in his market, is a company that develops and produces their products by high qualified and experienced employees and modern machines which guarantee a constantly and high quality.

Our goal is to help you by creating a perfect equipped changing, shower or toilet area which fully matches your overall concept in terms of atmosphere and finish reinforces your brand and people's perception of your company.

The experience which Kupan has in carrying out projects in demanding areas gives a guarantee of years of problem-free use.

Kupan designs, manufactures and installs shower, toilet, changing and dressing cubicles, washing and make-up stations, water resistant doors and lockers, with or without electronic locks.

We translate your ideas into a design which matches your overall concept, taking account of your budget. Bespoke comes as standard at Kupan, we love to be challenged by your ideas...

This brochure contains only a small number of realised projects. For specific references in your country or market, please contact us.
