## Essence, new patented cubicle concept

Stylish design, high quality and safe are essential characters which can be applied to Kupan products. Like 'Essence', the unique and innovative cubicle concept. This developed concept by Kupan has for example the patented, finger-safe and maintenance free hinge.

Tested to Kupan's rigorous standards, the door was opened and closed over a million times, which equates 25 years use! Rounded profiles and new feet gives an aesthetic view you will impressed.

The modern styling, possible colour combination and finishing will fits perfectly to your total concept.
